

*"From the Heart of the Parish"*  
***Epiphany Catholic School***

Dear Prospective Parents,

Thank you for your interest in Epiphany Catholic School. You have made the right decision in looking at our school for your child. You can't go wrong by putting your child in the hands of the faithful staff at Epiphany Catholic School. Let me explain why.

First, the education your son or daughter will receive will last a lifetime. Epiphany Catholic School academically prepares your child for a lifetime of success. As evidence of this, I can point to the school's work with Modern Red SchoolHouse, our North Central Accreditation, a talented faculty, our students' progress on standardized tests, and how well our students perform later on in high school.

Second, your child is taken care of both physically and emotionally at Epiphany Catholic School. Our staff and faculty are trained to provide excellent care for your child. We will be using "Second Step" and "Steps to Respect" to re-enforce positive relationships between students and staff. We have developed safety policies in cooperation with local law enforcement and emergency personnel to ensure all children are safe on our school campus. Security cameras are in each building and on our playgrounds and recess areas. At our school every student's happiness matters. Our staff and faculty reach out to care for your child in the most sincere, compassionate, and loving manner.

Third, spiritual growth and faith development underscore everything we do for your child while he or she is a student here. All of our students attend weekly Mass, pray the rosary, spend time in our Adoration Chapel, and receive daily religion classes. We are in our second year of a Faith Formation program that is based around the virtues. In junior high our students discuss pre-puberty issues, attend yearly retreats, and attend a "Right Start" program. All of these programs help our school develop the whole child spiritually, physically, and emotionally for the challenges of our world.

We are thrilled you have chosen to look at our school. Please feel free to contact the school office, stop in, or visit our website to explore enrollment opportunities.

Respectfully yours,

Richard Morehouse  
Principal
